

Christmas at The Villas of Cross Creek

Please join us in spreading the Spirit of Christmas
throughout the community.

Let's bring smiles to people everywhere by putting up lights in and around the neighborhood. It's OK if you can't, it's okay if you don't. Our only goal is to bring some joy and smiles to the many travelers that may need a delightful lift, and bring a smile to all who pass along our way. Let's light up the streets of Villas at Cross Creek and make a difference at Christmas time.

Heres how it will work:

Each street will have it's own name and theme.

For example: Snowman Cove or Elves Way.

Once you confirm participation, you will be issued your street name. The idea is to have everyone decorate their lawns and homes according to the street name/theme.

We are reaching out before the Christmas season to guage interest. If you and your family would like to participate, please email your CAM at Ashley@elimservices.com.
