

Mandarin Mallard Cove Homeowners Association

Electronic communication consent form

The Board of Directors of the Mandarin Mallard Cove Homeowners Association desires to update our means of communicating with all property owners to be more in line with today's electronic age. The forms of communication we will use are e-mail and/or community web site postings.

In order to do this we need to have your written consent and maintain this authorization on file with our association records at our management offices of Elim Services, Inc.

You are totally within your rights to request any or all HOA communication in hard copy written form if you so desire by opting out of the electronic communication consent request outlined in this notification. Please note, a copy of all governing documents will also be available online at ElimServices.com.

Please print and complete the lower portion of this consent form and return it to the Mandarin Mallard Cove Homeowners Association at Elim Services, Inc.

You may scan the document and return to: Info@ElimServices.com
(This is the fastest method.)

You may also mail it to: Elim Services 1941 Mayport Road, Atlantic Beach, FL 32233

☐ I/we **consent** to receiving Mandarin Mallard Cove Homeowner Association communication and notices via e-mail.

Property owner: _____ Dated _____

Property (Association) address: _____

Email address: _____

Email address: _____

☐ I/we **opt out** of the electronic communication option offered by Mandarin Mallard Cove Homeowner Association at this time, please continue to sent my notices and documents via US mail.
