Membership shall be appurtenant to and may not be separated from ownership of any Lot, which is subject to assessment, by the Association.

2. The transfer of the membership of any Owner shall be established by the recording in the public records of Duval County of a deed or other instrument establishing a transfer of record title to any Lots for which membership has already been established. Upon such recordation the membership interest of the transferor shall immediately terminate. Notwithstanding the foregoing, the Association shall not be obligated to recognize such a transfer of membership until such time as the Association receives a copy of the deed or other instrument establishing the transfer of ownership of the Lot. 3. The interest of a Member in the funds and assets of the Association cannot be assigned, hypothecated or transferred in any manner, except as an appurtenance to the Lot owned by such Member.

ARTICLE VI - VOTING RIGHTS

The Association shall have two (2) classes of voting Members, as follows:

Notwithstanding the foregoing, if title to any Lot is held by a husband and wife, either spouse may cast the vote for such Lot unless and until a written voting authorization is filed with the Association. When title to a Lot is in a corporation, partnership, association, trust, or other entity (with the exception of Developer), such entity shall be subject to the applicable rules and regulations contained in the Articles and Bylaws. Provided, however, if an Owner owns a Reconfigured Lot, for so long as such Reconfigured Lot contains only one single family Residence, the Owner thereof shall have only one vote in Association matters.

2. Class B. The Class B Member shall be Developer and shall be entitled to three (3) votes per Lot owned by the Developer until the occurrence of the earlier of the following events ("Turnover"):

- a. Three (3) months after seventy-five percent (75%) of the Lots in the Property that will ultimately be operated by the Association have been conveyed to Class A Members;
- b. On or before seven (7) years from the recording of the Declaration; or
- c. Such earlier date as Developer, in its sole discretion, may determine in writing.

The Association may be dissolved with the assent given in writing and signed by not less than seventy-five percent (75%) of each class of Members in accordance with the provisions of the Declaration. Upon dissolution of the Association, other than incident to a merger or consolidation, the assets of the Association shall be dedicated to an appropriate public agency to be used for purposes similar to those for which this Association is created, or for the general welfare of the residents of the county in which the Property is located. In the event that such dedication is refused acceptance, such assets shall be granted, conveyed and assigned to any nonprofit corporation, association, trust or other organization to be devoted to similar purposes.

In the event of termination, dissolution or final liquidation of the Association, any responsibility that the Association has for the operation and maintenance of the Stormwater Management System must be transferred to and accepted by an entity, which would comply with Section 40C-42.027, F.A.C., and be approved by the SJRWMD prior to such termination, dissolution or liquidation.

Provided, further, that no amendment shall conflict with any provisions of the Declaration.
