I would like to request a 4 digit access code to be programmed as my Vendor/Contractor/Delivery access code:

1st Choice _____ 2nd _____

Please note: WEST gate (Paddington Way) shall be used for commercial traffic and construction vehicles.

I understand that I am being issued a uniquely programmed entry code that is to be used only by vendors and delivery and such to my home. Any misuse of this entry code, as evidenced by personal observation, surveillance and/or gate access activity reports is considered a violation of the provisions of the **Access Control Policy**, Community Declaration of Restrictions for Homesites, Bylaws and Rules & Regulations of Jacksonville Ranch Club 1 Owners Association.

Jacksonville Ranch Club 1 Owners Association, Inc. is not responsible for damages to automobiles. You will be responsible for damages caused to the gate resulting from tailgating.

I have been made aware that all access codes to this address will be deactivated upon the termination of my lease and/or ownership of Home/Lot.

I understand that I assume all responsibility for any damages to properties or common areas and fixtures in the community by any vendor or delivery company!

I have read and agree to abide by the ACCESS CONTROL POLICY for the community entrances!
