

Deep Creek Plantation

Lift Master Gate Directions

c/o Elim Services, Inc, 1941 Mayport Road, Atlantic Beach, FL 32333 (904)241-8886

Deep Creek Plantation (DCP) access gates have been equipped with a Lift Master Access Control System that will provide communications and entry abilities for you, your guest, and your vendors. If you have any questions regarding the use or operation of this system, please call (904) 241-8886 or email info@ElimServices.com.

Owner Access

Currently, homeowners and lot owners can enter through the gates, three different ways:

Gate Code:

1. Owners can enter their 5-digit access code that can be obtained through Elim Services website:
 - a. [Elim Services - Deep Creek Plantation Website](#)
 - b. Select DCP Access Request Form and fill out the editable form and email it to Elim Services.
 - c. Call Elim Services and let them know the form has been completed and sent.

3 Button Key FOB / 3 Button Visor Transmitter:

1. Owners can purchase transmitters through Elim Services. You can choose between a three-button key fob or a three-button visor for a vehicle. These transmitters will also give you the ability to program applicable Lift Master or Chamberlain garage doors on button 2 or 3 on the transmitter.
 - a. Transmitters are \$50 each and Elim will program them and send you the transmitter(s) through the mail. Please contact Elim Services for payment options.
 - b. To obtain a transmitter(s) please follow the steps under Gate Code.
 - c. Once received, Elim will program the transmitters and send them to you by mail or you can pick them up at their office.

Directory Access

- a. If for some reason you forget your 5-digit code and/or your transmitters, using the directory (if your name is in the directory) you can call yourself through the Call Box. Once you answer your phone, hit #9 on your keypad and the gate will open.

Guest & Vendor Access

Owners have the following ability to allow Guest and Vendor access into DCP.

1. Owners can provide guests with their access code if they choose.
2. For vendors outside of (Amazon, DHL, USPS, FEDEX, etc.) DCPHOA asks that you don't provide your access code. Rather, we ask that they contact you at the gate through the directory. When the vendor arrives, they can call you through the Call Box and once you verify who they are, hit #9 on your keypad and the gate will open.
3. For Vendors such as Amazon, DHL, USPS, FEDEX and Kroger, please update the delivery instructions with your access code for each vendor within their respective websites.
4. Nassau County Sheriff's Office & Fire/Rescue, USPS, Meridian Waste, Lake Doctor and DCP HOA Lawn Care vendors have all been provided their own access codes for entry.

Deep Creek Plantation

Gate Access Request Form

c/o Elim Services, Inc, 1941 Mayport Road, Atlantic Beach, FL 32333 (904)241-8886

To grant access into the Deep Creek Plantation community, please complete the below information in its entirety. This information will be utilized to upload your access information into the Lift Master Security Gate database. If you are requesting a new transmitter, you will need to make a \$50 payment for each remote device to Elim Services. Once the form is completed, save it and email to info@ElimServices.com. Please contact Elim Services after you email the completed form.

Last Name:				
First Name:				
Email Address:				
Street Address:				
City, State:			Zip Code:	
Lot#				
Primary Phone #			Secondary Phone #	
For directory access by guest and vendors only. Your number will not be shown on the directory				
Directory Name				
This is how you want your name listed within the directory at the front gates. (Last Name, First Name or Initials) If you do not want your name listed in the director, please leave blank				
Entry Code:				
Please provide up to four codes with your 1 st pick listed 1 st . You must enter a 5-digit code for each code. Cannot start with a 0 and cannot be repetitive numbers.				
Key Fob(s)	FC / Number	FC / Number	FC / Number	FC / Number
If you have a current Key Fob, please provide the Facility Number and the 3–4-digit number that is on the back of the key FOB. If you can't determine the Facility Number and Serial Number, please contact Elim Services for further direction.				
If you have not been issued a Key Fob(s) or Visor Transmitter, please indicate how many you wish to purchase. Elim Services can issue a Lift Master 3 button key fob and/or a Lift Master 3 button visor transmitter. These transmitters can be programmed to applicable Lift Master and Chamberlain garage door openers on button 2 or 3. To the right, please enter the number of key fobs or visor transmitters that you wish to purchase. As a reminder, transmitters are \$50 apiece and you can make your payment to Elim Services.			<u>Key FOB</u>	<u>Visor</u>
