2026 Force Mowing Deadlines are as follows:**March 15 // June 1 // August 1 // October 31**

Courtesy reminder notification of these deadlines are sent to owners at the *address on file* with the HOA. Lots should be maintained by the owner more than quarterly, (Probably every 7 to 10 days in the Florida growing season to maintain a neat and attractive appearance.) Shortly after these deadlines the association will conduct inspections and list all properties that do not appear to have been properly maintained. The association will provide this required lot maintenance at a convenience surcharge rate which is invoiced back to the owner. We strongly urge owners to arrange for maintenance independent of the association inspections.
